GERALD SUTANTO

Computer Science - Database Technology

Phone: 0857-1188-8146
Email: gerald.sutanto@binus.ac.id
Address: Tanjung Duren Selatan, Grogol Petamburan, Jakarta Barat

SUMMARY

Computer Science undergraduate majoring in Database Technology with a strong focus on Software Engineering, Data Analysis, and Relational Database Design. Proficient in Python (Pandas, NumPy), SQL, and backend system modeling. Experienced in end-to-end data processing workflows, relational schema normalization (1NF–3NF), and Agile methodology. Seeking an internship opportunity in software development or data analytics.

PROJECTS

Zentra – Daily Tracker Based on Mood | Scrum Master & Lead Developer **Jan - July 2026**

- Led a cross-functional team in developing a web-based mood tracking application designed for university students using Agile/Scrum framework.
- Managed sprint planning, backlog prioritization, and daily stand-ups to ensure on-time delivery of core features.

Retail Store Data Pipeline & ETL (Pentaho & MySQL)

- Detailed end-to-end ETL pipeline construction, 12,500+ row data cleaning, Star Schema implementation (1 Fact, 5 Dimensions), and Power BI dashboard integration ($1.55M revenue visualised).

EDUCATION

Computer Science **Aug 2024 – Jul 2028**

- Major in Database Technology

TECHNICAL SKILLS

- Programming Language : Python, SQL, C
- Data Processing & Analysis : Pandas, NumPy, Matplotlib, Seaborn, Power BI
- Database & Storage: PostgreSQL, MySQL, Supabase, Relational Database Design, ERD Modeling, Star Schema & Dimensional Modeling
- Cloud & AI Platforms : Microsoft Azure, Microsoft Fabric, Generative AI Integration
- Framework & Tools: Git, GitHub, Power Query, Pentaho Data Integration
- Methodologies : Agile/Scrum, Spesifikasi Kebutuhan Perangkat Lunak (SRS), Diagram UML

HONORS, ACHIEVEMENTS & CERTIFICATIONS

- Finalist (Top 15 Teams) – COMPFEST 18 Data Analytics Dash (2026)
- Belajar Penerapan Data Science dengan Microsoft Fabric – Dicoding Indonesia (Issued Sep 2026)
- Membangun Aplikasi Gen AI dengan Microsoft Azure – Dicoding Indonesia (Issued Sep 2026)
- TOEFL ITP Certification
- Languages: Bahasa Indonesia (Native), English (Proficient)
